

Sports Ambassadors

At Moorfield Primary School, our Sports Ambassadors, work hard to further enhance our school sport provision through organising a range of inspirational sporting activities. Our Sports Ambassadors also act as captains and vice captains of our school houses: Vibrant, Loving Proud and Kind.

This provides the opportunity to enable our pupils to further develop key values:

- Creativity: identify ways they can improve the sports provision at our school
- Respect: liaise with PE leads and attend Sports Ambassador meetings as well as act role models for other pupils
- Independency: be able to act responsibly by acting as coaches and officiators during school sporting events
